

K-STATE ATHLETICS

September 3, 2024

To Whom it May Concern

This is a letter of recommendation for Emma Feyes for the position of communications intern with the American Junior Golf Association. As the Director of Communications for Women's Basketball and Soccer at Kansas State, I have overseen Emma's work and progression for the last two-plus years as a student intern in our office and feel she would be a tremendous intern for the AJGA.

Emma has been a student intern in the K-State Athletics Communications office for two-plus years. During this time, she has shown a propensity to be a dedicated worker and has displayed a hunger to learn many different facets of our office. During her two-plus years in our office, she immediately absorbed the information we provided her and has assisted our office in game day operations.

Her diverse resume has been a valuable asset for her growth and development in the media relations field. In addition to her progress within the K-State Athletics Communications office, she has also volunteered and interned for a number of unique opportunities to develop her skills including as a summer 2024 intern with the National Baseball Congress World Series in Wichita, Kansas.

During my time as an AJGA communications intern (summer '03), I came to understand what it takes to be successful in this position and Emma displays all of these qualities on a regular basis. I am proud to provide this letter of recommendation because I feel she would be a wonderful representative for the AJGA and Kansas State University.

If you would like to speak further about Emma, her abilities and how they relate to the AJGA, feel free to contact me at (785) 532-7975 (office) or at (785) 587-7769 (cell) or by e-mail: rpeterson@kstatesports.com.

Sincerely,

Randy S. Peterson
Assistant Director of Athletics Communications, Kansas State University
(office): 785-532-7975
